

Applicants submit that to respond to the Examiner's election requirement, Applicants would be required to elect a species outside the scope of the claims remaining in the application.

Applicants still wish to comply with the Examiner's request to elect a species. Applicants hereby elect the compound of Example 1, found on page 32 of the specification. Claims reading on this compound include claims 1 - 18 and 30.

-Conclusion-

Applicants, having responded to all points and concerns raised by the Examiner, believe this application to be in condition for allowance. An early and favorable action is respectfully requested.

Respectfully submitted,

Dated: March 10, 2003
